South Raytown  
Shawnee

## IN THE CLINIC | Why Try Physical Therapy?

You might be surprised to know that physical therapists work with virtually every muscle from head to toe, making physical therapy a natural choice for many pains and injuries. And while you may have to wait for weeks to be seen by a specialist, at SERC Physical and Hand Therapy, you can expect to be seen within 48 hours. In addition, most patients are happy to find that the results and benefits from therapy begin immediately after their first session. Consider some of the other benefits of physical therapy at SERC:

### OUR TREATMENT

We make a point of educating our patients regarding their pain or injury and explaining how the prescribed home exercise program can alleviate their symptoms. We want our patients to feel empowered to take control of their ailments. We also make one on one time with our patients a priority. Whatever your age or activity level, we challenge you to achieve your customized goals and teach you how to prevent a reoccurrence of injury.

### OUR THERAPISTS

One reason why this treatment approach is so successful is our therapists. At SERC, our therapists have extensive education and post-graduate specializations to support evidence-based practice. We are dedicated to meeting and exceeding physicians' and patients' expectations.

### OUR ENVIRONMENT

While it is imperative to have the most skillful physical therapist, we believe that a compelling component of patient satisfaction comes from the relationship of the patient and therapist, and the atmosphere of the clinic. At SERC, we believe in hard work and results combined with a fun, relaxed environment for our patients.

### WHAT NEXT?

- 1** Talk to your physician. Ask for a referral to SERC.
- 2** Call our Central Office (913.384.1642 or 816.554.9559) to schedule an evaluation **or** stop by any of our 15 locations.
- 3** Print your paperwork at [www.serctherapy.com/paperwork](http://www.serctherapy.com/paperwork), fill it out and bring it with you to your first appointment **or** arrive 15 minutes early to fill out paperwork.
